

**LC Booster Club**  
**Meeting minutes**  
**March 4, 2019**

Meeting was called to order by Holly Lytle, president, at 6:30pm

Minutes from February 2019 meeting were read and approved as read.

Budget update: Robin shared an updated budget showing money spent to cover student admissions to girls basketball playoff games as well as income from concessions. Robin shared that iPad for concessions has been received and is being programmed.

Concessions update: Fieldhouse concessions is done for the remainder of the school year with the exception of a possible brief opening for Hoopfest if we get that opportunity. Hart Field concessions are set to begin in March, but are most likely going to be affected with weather delays in competitions. Heather shared that we are really in need of volunteers to help with staffing Hart Field concessions.

Old business:

- VP officer position – Holly shared some interest has been coming in. Nothing definite at this time.
- Concessions coordinator and buyer positions are still open
- Spring Meet the Tigers event moved from March to April 11 due to weather delays.
- Social Media – Dawn will send Karla Parbon's contact information to reps so that they can send her footage or news or pictures from their teams and have it posted to FB and Insta.

New business:

- Kelsey from Thomas Hammer presented a fundraiser opportunity with Tiger Blend coffee. General reception from meeting was positive with questions surrounding minimum order requirements and timing of sales. Majority felt we should explore this opportunity and use Thomas Hammer orange bags with a Tiger paw sticker versus special packaging to save on costs and reduce minimum orders.
- Holly shared her idea for incentivized volunteering where teams would get "points" for their volunteering and participation in Booster activities, and those point would result in guaranteed allocations or earnings for their team. Mostly the volunteering would revolve around concessions, but Holly felt earning points for volunteering as an officer or other Booster position would also be recognized. Group to vote at April meeting whether we move forward with this new approach to volunteers and allocations.

Meeting adjourned at 7:45pm
