New Gear for LCHS

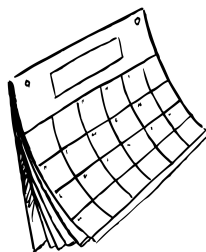

The latest allocation meeting took place on May 6th and the turnout was impressive. After much discussion, the Tiger Booster Club was able to fulfill most of the requests to remain in budget. The need for new uniforms was high and accounted for the majority of the budget. These requests included new uniforms for wrestling, football, cheerleading, boys basketball, girls track and girls cross country. There were a couple equipment requests fulfilled. Knowledge Bowl received money for a new timing system and Drama received money for a portion of their new LED light system in the auditorium. Several other teams plan to revisit their needs especially on uniforms in the next school year.

The next allocation meeting will be in early September - the first Booster Club meeting of the 2019-2020 school year - with a budget of \$12,900. The date has not been set yet, but keep current on the Lewis Clark HS calendar for details. Official allocation requests are made by the coach on the LC Booster club website at www.lcboosters.org anytime throughout the year. Just look for the Coach tab!
